Sorry, I didn't even read the subject line - the number is right there in front of me! Wednesday is the same story as tomorrow for me: on call for Springfield and Holyoke, so I don't foresee a problem. Thanks.

Hi Karen-

I looked up [REDACTED] in our database and only got 1 hit - drug lab submission number [REDACTED]. Is this the correct number? Thanks.

I have had Springfield PD tracking down my drug analysis down on a case I have for trial tomorrow in Springfield Dist Ct. - I haven't been able to do summonses for the analyst because until I got the analysis I didn't know who it was. Would you

be able to be on call for this case tomorrow? The defendant's name is [REDACTED]. The analysis is under the Buyer's name - [REDACTED].
